ORDINANCE NO. 2026-26

AN ORDINANCE TO PROVIDE FOR THE INDEXING, DIGITIZATION, AND ONLINE PUBLIC ACCESS OF CRAWFORD COUNTY ORDINANCES AND RESOLUTIONS; AND FOR OTHER PURPOSES

WHEREAS, the Crawford County Quorum Court desires transparency and convenient public access to the laws and enactments of the county; and

WHEREAS, Ark. Code Ann. § 14-14-903 requires each quorum court to maintain a county ordinance and resolution register, sequentially numbered, as a permanent record; to maintain a permanent record in which each enactment is entered in full, indexed for identification, location, and retrieval by subject, register number, and date enacted; and, at five-year intervals, to compile county ordinances of a general and permanent nature into a uniform code and publish it; and

WHEREAS, Section 5 of Crawford County Ordinance 06-2003, the Procedural Ordinance of the Quorum Court, likewise provides for a County Ordinance and Resolution register maintained by the County Clerk of the Quorum Court, and for a permanent record of all ordinances and resolutions in the form of a uniform, bound county code, indexed by subject, register number, and date enacted; and

WHEREAS, the County Clerk has advised that the historical collection of county ordinances and resolutions consists of approximately forty (40) bound volumes, which exist in paper form and are not searchable electronically; and

WHEREAS, Ark. Code Ann. § 13-4-301 permits county records to be electronically transferred to other media of a permanent nature, provided the transfer accurately reproduces the original and is supported by procedures for authenticity, security, backup, recovery, and periodic data-conversion review; and

WHEREAS, at its regular meeting of June 15, 2026, the Quorum Court discussed the lack of online access to county ordinances, and the County Judge stated that the county could look into the cost of placing ordinances and resolutions online;

NOW, THEREFORE, BE IT ORDAINED BY THE QUORUM COURT OF CRAWFORD COUNTY, ARKANSAS:

Section 1. Purpose; Definitions. The purpose of this ordinance is to provide free, searchable online public access to the ordinances and resolutions of Crawford County in a phased and cost-conscious manner. As used in this ordinance, "County Records" means all ordinances and resolutions of the Crawford County Quorum Court, whether codified or uncodified.

Section 2. Phase One – Index and Current Code. Within six (6) months of the effective date of this ordinance, the County Clerk shall post on the official Crawford County website, free of charge:

(a) A searchable index or register of all County Records, listing each by number, date, and title or subject, to the extent such information is available; and

(b) The most recent codified county code, including any codification prepared by the Association of Arkansas Counties, in a text-searchable electronic format.

Each ordinance and resolution adopted after the effective date of this ordinance shall be posted on the county website within thirty (30) days of its adoption.

Section 3. Cost Report. Within ninety (90) days of the effective date of this ordinance, the County Clerk, in coordination with the County Judge, shall:

(a) Obtain at least two (2) written quotes or estimates, which may include a vendor option and an in-house option, for scanning the historical County Records with optical character recognition (OCR) and indexing them;

(b) Explore available codification services of the Association of Arkansas Counties, and any assistance or grant funding available through the Arkansas State Archives or other sources; and

(c) Report the estimated cost, timeline, and recommended approach to the Quorum Court in open session.

Section 4. Phase Two – Historical Collection. Upon appropriation of funds by the Quorum Court, the historical County Records shall be scanned to text-searchable PDF format and indexed, beginning with the most recent volumes and proceeding to the oldest. The target for completion is twenty-four (24) months from the date of appropriation. Completed records shall be posted on the county website free of charge.

Section 5. Preservation; Official Record. The paper originals of the County Records shall remain the official permanent record of the county and shall not be destroyed. Electronic copies shall be maintained with backup, recovery, and review procedures consistent with Ark. Code Ann. § 13-4-301. Online versions are provided for public convenience only; in the event of any conflict, the official record maintained by the County Clerk shall control.

Section 6. Current Versions. As practical, the County Clerk shall maintain current versions of County Records, or notes identifying subsequent amendments and repeals, coordinated with any codification of county ordinances.

Section 7. Funding. Nothing in this ordinance appropriates funds. Any expenditure under this ordinance shall require a separate appropriation ordinance of the Quorum Court.

Section 8. Severability; Repealer. If any provision of this ordinance or its application is held invalid, the invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application, and to this end the provisions of this ordinance are declared severable.
