Dear Ms. Wester:

In the recent School Election, voters approved a millage rate of 42.6 mills for the Van Buren School District to be levied for 2019 and collected in 2020. This millage is to include 28 mills for maintenance and operation and 14.6 mills for debt service. My understanding is that Arkansas law empowers the Quorum Court to levy these millage rates in its regular November meeting.

If I can be of further service, please call.

"The rate for taxation for all taxable real and personal property in the City of Kibler, Arkansas, for the year 2019 and all the years that follow it until a millage rate change is enacted by the City of Kibler's governing body, for general municipal purpose under the authority of Section 4, Article 12, of the Constitution of 1874 of the State of Arkansas, as amended, be and the same is hereby fixed at **5 mills on personal property and 5 mills on real property** on the dollar of assessed valuation of all real and personal property subject to taxation in the City of Kibler, Arkansas, for the **year 2019 and all those that follow** it until a rate change is enacted, for general municipal purposes." And;

"A certified copy of this Ordinance shall be filed in the office of the County Clerk of Crawford County, Arkansas, in order that the Quorum Court of Crawford County, Arkansas, may include the same in the general levy for the year of 2019 and **all those after** it until the rate is changed, and cause the same to be extended upon the tax books and collected as required by law."

The City of Kibler announces that the millage rate is unchanged for the year 2020, and requests its millage be included in the general levy at the rate previously approved and included above.

Gentry C. Wahlmeier
