PROPOSAL FOR JOB TITLE CHANGE WITH COMPENSATION

OVERVIEW:

The Circuit Clerk's Office consists of two divisions, Recording and Court. The Recording Division files and maintains all real estate records in the County including deeds, mortgages, liens, judgments, plats, powers of attorneys, death certificates, passport applications and DD-214's (Veteran's discharge documents). The Court Division files and maintains all criminal, civil, domestic relations, juvenile, and probate cases along with child support and transcripts. Additionally, Court deputy clerks attend all Court sessions of the Circuit Court and the Circuit Court matters heard by the County District Judge.

PERSONNEL:

The Circuit Clerk's Office currently employs thirteen persons, including the elected Circuit Clerk. These employees are divided into five recording division deputies and five court deputy clerks. Additionally, there is one file clerk and two administrators (Elected Clerk and Chief Deputy Clerk).

BUDGET:

The Circuit Clerk's Office is funded primarily by state mandated real estate filing fees. Currently these fees account for 64% of the Office's total operating expenses including payroll.

REQUEST:

During the 2022 budget process the Circuit Clerk requested a raise for the Chief Deputy position. At the time of the final budget process the Quorum Court stated that they agreed in the amount of the raise but asked that I look at changing the job title rather than have one Chief Deputy making a different salary than the other Chief Deputies in the county. At that time, I agreed with the quorum court with the assurance that I could fix the job title and re-submit my proposal.

Arkansas Code ANN. §14-14-802 specifically requires that Counties fund Court & Recording operations.

The Circuit Clerk is requesting to change the job title (slot) Office Manager to Business & Financial Administrator. Then I would like to request for this position to start at \$41,604.67 plus applicable benefits and taxes. This position would be subject to any and all future raises passed by the quorum court.

PROPOSAL:

I respectfully request that the Quorum Court approve this job description change and compensation change. This increase will be paid from fund #3430 (Cost Recorders 75%).

Funding for the remainder of 2022 (beginning August):

3430-0102-1001 Salary = \$2,335.90

3430-0102-1006 FICA = \$178.70

3430-0102-1008 Retirement = \$357.86

Total = \$2,872.46

Ms. Hankins,

Thank you for this opportunity to provide a fee break down for the design of your new Senior Center. Our fee to provide full Architectural, Mechanical Engineering, Electrical Engineering, Plumbing and Structural Engineering would be 7% of the cost of construction that would be established through a competition bid process. Our fee would exclude the cost of Civil Engineering, soils investigation and other items that are listed on the attached reimbursement schedule. For budget purposes I would estimate the above excluded items will not exceed \$35,000.00.

Should you need any additional information, feel free to contact me.

A new pantry in the River Valley in February 2020, Mulberry Community Food Pantry became incorporated as a 501(c)3 the following February. We were granted tax exempt status as a non-profit by the IRS July 13, 2021. Our pantry is non-USDA and can serve any household in Crawford or Franklin counties. What began with small local needs prior to Covid19, rapidly expanded in size and scope. July-August of 2021 we averaged 227 households. A year later it's now 346 households. Covid19 caused an increased need countywide with it rapidly expanding along with current inflation. The county impact of our MCFPantry is ever increasing as individual and household needs continue to increase. We will serve anyone who needs our help irregardless of their income level.

Geographic summary of our 1,451 current households.

Mulberry/Dyer - 61%

Alma - 14%

Van Buren/Cedarville/Rudy - 6%

Mountainburg - 3%

Ozark - 13%

Mulberry Community Food Pantry has been awarded a \$280,000 Community Block Grant. The funds from this grant will expand the size of our current building by about another third. It also includes construction of a freezer and a cooler, both 10 x 20 in size. Our expanded capacity will help us better keep up with the growing needs within our counties. Presently, we are limited on the amount of product we can receive and keep on hand. Once these units are in place, we must ensure the product stays secure and at a safe temp. While a backup generator was not included in the construction plans we've come to realize its necessity in helping us guard against product loss due to power failure.

This proposal is to add the two new gates to the existing Hirsch access control system. Homeland Safety Systems will install a dual height pedestal with keypad card readers to provide cars and large trucks with the ability to access the West gate with a valid pin number or card. Additionally a car height pedestal with a keypad reader will be installed on the East gate to enter the employee parking area. During the initial Hirsch access control installation Homeland Safety Systems installed a two door Hirsch access control panel that was not needed due to two doors being removed from the installation. Homeland Safety Systems will use the existing two door Hirsch access control panel to control access to the new gates.

NOTE: The gate installation company will be responsible for providing one 3/4" conduit from the building to each gate operator location. Additionally a 3/4" conduit will be needed from the gate operator location to the pedestal locations. A small concrete pad will need to be provided at the pedestal location as well.

Re: Appropriation

The Sheriff's Office is requesting \$51,164.88 be appropriated from fund 3428 Jail and Law Enforcement & Cent to fund the three newly created Civilian Jail Clerk Positions. Please accept this request for the August 2022 Quorum Court meeting that the funds be appropriated as follows

3428-418-1001 Salaries	\$37,800.00
3428-418-1006 Social Security Matching	\$ 2,891.70
3428-418-1008 Retirement	\$ 5,790.96
3428-418-1009 Insurance	\$ 3,662.22
3428-418-1011 Unemployment Ins.	\$ 1,020.00

These funds will be used to fund the positions through the end of the 2022 year

Sincerely,

Jimmy Damante,
Chief Deputy

NEW POSITION	10 PAY PERIODS	FICA	RETIREMENT	INSURANCE	UNEMPLOYMENT	TOTAL
CIVILIAN #1	\$ 12,600.00	\$ 963.90	\$ 1,930.32	\$ 1,220.74	\$ 340.00	\$ 17,054.96
CIVILIAN #2	\$ 12,600.00	\$ 963.90	\$ 1,930.32	\$ 1,220.74	\$ 340.00	\$ 17,054.96

PROPOSAL FOR JOB TITLE CHANGE WITH COMPENSATION

OVERVIEW:

The Circuit Clerk's Office consists of two divisions, Recording and Court. The Recording Division files and maintains all real estate records in the County including deeds, mortgages, liens, judgments, plats, powers of attorneys, death certificates, passport applications and DD-214's (Veteran's discharge documents). The Court Division files and maintains all criminal, civil, domestic relations, juvenile, and probate cases along with child support and transcripts. Additionally, Court deputy clerks attend all Court sessions of the Circuit Court and the Circuit Court matters heard by the County District Judge.

PERSONNEL:

The Circuit Clerk's Office currently employs thirteen persons, including the elected Circuit Clerk. These employees are divided into five recording division deputies and five court deputy clerks. Additionally, there is one file clerk and two administrators (Elected Clerk and Chief Deputy Clerk).

BUDGET:

The Circuit Clerk's Office is funded primarily by state mandated real estate filing fees. Currently these fees account for 64% of the Office's total operating expenses including payroll.

REQUEST:

During the 2022 budget process the Circuit Clerk requested a raise for the Chief Deputy position. At the time of the final budget process the Quorum Court stated that they agreed in the amount of the raise but asked that I look at changing the job title rather than have one Chief Deputy making a different salary than the other Chief Deputies in the county. At that time, I agreed with the quorum court with the assurance that I could fix the job title and re submit my proposal.

Arkansas Code ANN. §14-14-802 specifically requires that Counties fund Court & Recording operations.

The Circuit Clerk is requesting to change the job title (slot) Office Manager to Business & Financial Administrator. Then I would like to request for this position to start at \$41,604.67 plus applicable benefits and taxes. This position would be subject to any and all future raises passed by the quorum court.

PROPOSAL:

I respectfully request that the Quorum Court approve this job description change and compensation change. This increase will be paid from fund #3430 (Cost Recorders 75%).

Funding for the remainder of 2022 (beginning August):

3430-0102-1001 Salary = \$2,335.90

3430-0102-1006 FICA = \$178.70

3430-0102-1008 Retirement = \$357.86

Total = \$2,872.46

Executive Director
Crawford County Seniors

Mrs. Hankins,

Thank you for this opportunity to provide a fee breakdown for the design of your new Senior Center. Our fee to provide full Architectural, Mechanical Engineering, Electrical Engineering, Plumbing and Structural Engineering would be 7% of the cost of construction that would be established through a competition bid process. Our fee would exclude the cost of Civil Engineering, soils investigation and other items that are listed on the attached reimbursement schedule. For budget purposes I would estimate the above excluded items will not exceed \$35,000.00.

Should you need any additional information, feel free to contact me.

Sincerely,
ARCHITECTURE PLUS, INC.

A new pantry in the River Valley in February 2020, Mulberry Community Food Pantry became incorporated as a 501(c)3 the following February. We were granted tax exempt status as a non-profit by the IRS July 13, 2021. Our pantry is non-USDA and can serve any household in Crawford or Franklin counties. What began with small local needs prior to Covid19, rapidly expanded in size and scope. July-August of 2021 we averaged 227 households. A year later it's now 346 households. Covid19 caused an increased need countywide with it rapidly expanding along with current inflation. The county impact of our MCFPantry is ever increasing as individual and household needs continue to increase. We will serve anyone who needs our help irregardless of their income level.

Geographic summary of our 1,451 current households.

Mulberry/Dyer - 61%

Alma - 14%

Van Buren/Cedarville/Rudy - 6%

Mountainburg - 3%

Ozark - 13%

Mulberry Community Food Pantry has been awarded a \$280,000 Community Block Grant. The funds from this grant will expand the size of our current building by about another third. It also includes construction of a freezer and a cooler, both 10 x 20 in size. Our expanded capacity will help us better keep up with the growing needs within our counties. Presently, we are limited on the amount of product we can receive and keep on hand. Once these units are in place, we must ensure the product stays secure and at a safe temp. While a backup generator was not included in the construction plans we've come to realize its necessity in helping us guard against product loss due to power failure.

\$43,742 Funds Requested - \$36,000 Generator costs and \$7,742 ATSwitch

This proposal is to add the two new gates to the existing Hirsch access control system. Homeland Safety Systems will install a dual height pedestal with keypad card readers to provide cars and large trucks with the ability to access the West gate with a valid pin number or card. Additionally a car height pedestal with a keypad reader will be installed on the East gate to enter the employee parking area. During the initial Hirsch access control installation Homeland Safety Systems installed a two door Hirsch access control panel that was not needed due to two doors being removed from the installation. Homeland Safety Systems will use the existing two door Hirsch access control panel to control access to the new gates.

NOTE: The gate installation company will be responsible for providing one 3/4" conduit from the building to each gate operator location. Additionally a 3/4" conduit will be needed from the gate operator location to the pedestal locations. A small concrete pad will need to be provided at the pedestal location as well.

ANNOUNCEMENTS:

ADJOURN:

CRAWFORD COUNTY, ARKANSAS
QUORUM COURT JOURNAL OF PROCEDURES

JULY 18, 2022

The Quorum Court of Crawford County, Arkansas met July 18, 2022, for the seventh regular meeting of the year. The meeting was held at 7:00 p.m. in the Circuit Courtroom I, 300 Main Street., Van Buren, Arkansas. Judge Gilstrap presiding. Gentry Wahlmeier, Prosecuting Attorney legal counsel was present. Roll was called. Members present were Justice Atwell, Carolan, DeCroz, Harvey, Johnson, Morrison, Myers, Peppas, Perry, Pinkerton, Shaffer, Wahlmeier and Woodruff.

The minutes of 5/16/2022 Regular meeting was presented. Justice Atwell moved to approve, second by Justice Harvey and unanimous voice vote to approve as written.

The minutes of the 5/16/2022 Budget meeting was presented. Justice Woodruff moved to approve, second by Justice Wahlmeier and unanimous voice vote to approve as written.

REPORTS: Justice Woodruff moved to approve, second by Justice Pinkerton and unanimous voice vote to approve all reports as written.

COMMITTEE REPORTS: Justice Shaffer stated that the county has received its second round of the ARP Fund and that the committee would be meeting on Tuesday, July 26, 2022 at 6:30 p.m. and also on Tuesday, August 2, 2022 at 6:30 p.m. both meetings will be held at the Department of Emergency Management located at 1820 Chestnut, Van Buren, Arkansas. Applications may be picked up in the County Judges office.

COMMENTS FROM THE PUBLIC: Lonnie Jennings, upcoming new Justice of the Peace for district #7, addressed the Quorum and the County Judge on how it is determined which roads in the county get paved. Judge Gilstrap replied by stating that the road department tries to priorities by the amount of the traffic load and the last two to three years we are behind about four roads and right now we are trying to play catch up. Basically, it is a discretionary thing the County Judge can put into priorities. Right now, we are working on Belmonte Road just north of Alma, but we are having to deal with some utilities and easements.

JUDGES NOTES: (1) I am proud to report that we have a roof on the Courthouse, and it is completed. I am now working on getting the windows fixed and getting it painted. (2) We have now started on the jury room and coffee room for Division I. (3) I am very concerned with the heat right now. We should be trying to chip and seal some roads but with the weather like it is I am very concerned about the employees working in these conditions. (4) Fuel cost has started to come down.

**CRAWFORD COUNTY, ARKANSAS
ORDINANCE NO. 2022-37**

**BE IT ENACTED BY THE QUORUM COURT OF THE COUNTY OF CRAWFORD,
STATE OF ARKANSAS, AN ORDINANCE TO BE ENTITLED:**

**AN ORDINANCE SETTING A BOND LIMIT FOR HEAVY HAUL PERMITS ON
COUNTY ROADS AMENDING SECTION 92.56 OF COUNTY ROAD STANDARDS
AND SECTION 92.59 OF COUNTY ROAD STANDARDS**

WHEREAS, Crawford County maintains roads in the care of the County in good and working condition and from time to time authorizes heavily laden vehicles and equipment to utilize the roads for transportation; and

WHEREAS, Crawford County has a procedure in place under §92.56 of the County Road Standards for those operating or transporting heavily laden vehicles and equipment to obtain a permit and that process includes obtaining a Surety Bond for excessive wear and tear on County Roads per Crawford County Ordinance 84-26, as amended by Ordinance 2022-31, as quoted below:

[Referenced Section §92.56: "Any individual or firm desiring to use any county road in any manner that might result in unnecessary damages to the roadway or its drainage facilities or that might result in undue safety hazards to the public, must obtain a special use permit. Activities subject to special use permits includes, but is not limited to, any transporting of construction materials, equipment, or commodity in any equipment, whose gross tonnage would be in excess of the load carrying capacity of the roads over which they travel. County roads are not constructed to sustain heavy loads. Any user of a county road who causes unnecessary damage to it shall be liable for damages equal to repair cost necessary to restore them to their original, preexisting condition. The County Judge shall determine, during negotiations with special use permit applicants, adequate bonding arrangements and amounts, which will guarantee that roads will be restored to preexisting conditions at the conclusion of special use permit activities." (Ord. 84-26, passed 08-13-1984) Penalty. see § 92.99]

WHEREAS, it is necessary to further amend the County Road Standards to remove uncertainty in determining bonding arrangements;

WHEREAS, those who engage in heavy haul within our County are desirous of certainty and security in their endeavors;

WHEREAS, Crawford County has a procedure in place under §92.59 of the County Road Standards for establishing a bond amount, as quoted below:

[Referenced Section § 92.59

***BASIS FOR ESTABLISHING BOND AMOUNT**

(A) A representative of the company and the County Road Department shall visit the roads to be used and survey them for condition and status. The survey shall note any existing failures and problem areas, taking photographs of such.

(B) An estimate will be computed concerning the cost of repairing the entire length, fixing the maximum ceiling.

(C) A bond will be set based on the cost of repair up to the maximum.

(D) A permit fee shall be collected to cover the administrative cost of divisions (A) through (C).

(E) The county shall hold the bond until completion of the permitted time period.

(F) Upon completion of permitted heavy haul activities, the county and a representative of the company shall conduct another on-site visit to determine damages.

(G) Payment for any damages shall be determined as follows:

(1) The heavy haul operation shall pay for repairs and labor.

(2) The payment option shall be at the discretion of the County Judge considering the scope of existing road activity and accordingly the availability of county road equipment and labor to administer repair." (Ord. 84-26, passed 8-13-84) Penalty, see § 92.99]

WHEREAS, the County Road Standards as amended require a procedure to determine liability for road users and Section 92.59 must be amended for that purpose.

NOW, THEREFORE, BE IT ORDAINED BY THE QUORUM COURT OF CRAWFORD COUNTY, ARKANSAS:

SECTION 1. Section § 92.56 of the Crawford County Road Standards, as amended by Ordinance Number 2022-31, is hereby further amended to read as follows:

[Referenced Section §92.56: *"Any individual or firm desiring to use any county road in any manner that might result in unnecessary damages to the roadway or its drainage facilities or that might result in undue safety hazards to the public, must obtain a special use permit. Activities subject to special use permits includes, but is not limited to, any transporting of construction materials, equipment, or commodity in any equipment, whose gross tonnage would be in excess of the load carrying capacity of the roads over which they travel. County roads are not constructed to sustain heavy loads. Any user of a county road who causes unnecessary damage to it shall be liable for damages equal to repair cost necessary to restore them to their original, preexisting condition."* (Ord. 2022-31, as amended)]

SECTION 2. An arbitration process must be implemented to determine if liability will be imposed for damages to road ways by users; and

SECTION 3. The Crawford County Road Standards shall be amended in conjunction with this ordinance to read as follows:

§ 92.59 'BASIS FOR ESTABLISHING BOND AMOUNT.

(A) After a haul route has been determined and agreed upon, a representative of the company and the County Road Department shall visit the roads to be used and survey them for condition and status. The survey shall note any existing failures and problem areas, taking photographs of such.

(B) The county shall hold the bond until completion of the permitted time period.

(C) During and upon the completion of permitted heavy haul activities, the county and a representative of the user shall conduct random visits to survey for any damages. As per 92.56, this is not a limitation on liability for damage to roads or rights-of-way

(D) Payment for any damages shall be determined as follows:

(1) During inspection if damages are seen and determined were caused by user, the County Judge and a representative from the user will work together to agree on an acceptable solution for repairing the damage.

(2) The payment option shall be at the discretion of the County Judge considering the scope of existing road activity and accordingly the availability of county road equipment and labor to administer repair."

ARBITRATION PROCESS

All interested parties will be asked to conduct an inspection of the planned and adjusted haul route. Inspections should be conducted prior to any activities involving heavy loads (logging equipment, gravel trucks, logs etc.)

At a minimum this inspection will include:

1. A Representative of the User and the Road Department
2. A representative of the Timber Purchaser.
3. USDA Forest Service Law Enforcement Officer.

It is preferred that the inspection include

1. A Crawford County Road Representative and
2. A Crawford County Law Enforcement Officer.

A report will be produced by the Forest Service in conjunction with Crawford County judge and should include a written description of the condition of the paved roads to be hauled over and the pictures as

needed. Pictures or videos of the road are encouraged. The Forest Service, Timber Purchaser and County Road Department should each retain a copy of this report for future use if needed.

It should be noted that Forest Service timber sales can often take two to five years to complete, so it may be necessary to re-assess the

needed county roads after an extended period of inactivity.

If damage is noticed by the Crawford County Road Department, Timber Purchaser or Law Enforcement, all parties should be notified

immediately, and the Crawford County Sheriff and Forest Service Law Enforcement shall investigate to determine the cause and extent of the damage.

(Referencing Ord. 84-26, Ord. 2022-31, and County Road Standards)}

SECTION 4. All parts of Crawford County Ordinances 84-26, 2022-31 and the Crawford County Road Standards not in conflict herewith shall remain unchanged.

SECTION 5. The Quorum Court hereby finds and declares that the facts set out herein are true and correct.

SECTION 6. The various paragraphs hereof and portions hereof being severable, should any part thereof be declared invalid, for any reason, the remainder hereof shall continue in full force and effect.

SECTION 7. EMERGENCY CLAUSE: certainty in the use of roads is essential to the public health, safety, and welfare of Crawford County, and the goal can be met by enactment of this ordinance; an emergency is therefore, declared to exist, and this ordinance shall be in full force and effect from and after the date of its passage.

CRAWFORD COUNTY, ARK.
IN THE CIRCUIT COURT OF CRAWFORD COUNTY, ARKANSAS

IN THE MATTER OF \$183,005.00

Now on this 1st of August, 2022, comes on for consideration the matter of a \$183,005.00 deposit that was erroneously deposited in the Crawford County Circuit Clerk Fee Account that should have been deposited in the Crawford County Treasurer Primary Account.

On July 22, 2022, a deposit was made into the Crawford County Circuit Clerk Fee Account by the Department of Finance and Administration. After much research, it was learned that the deposit was intended for the Crawford County Sheriff for the Law Enforcement Stipend Grant, with \$170,000.00 for Law Enforcement Stipends and \$13,005.00 for the County's portion of Social Security and Medicare.

Because of the erroneous deposit, the clerk requests to transfer the funds to the correct account. Due to the Circuit Clerk Fee Account being a non-debiting account, the Circuit Clerk requests that \$183,005.00 be debited from the Crawford County Circuit Clerk Fee Account and deposited into the Crawford County Treasurer Primary Account number ***7501.

THEREFORE, IT IS ORDERED, ADJUDGED and DECREED that \$183,005.00 be paid by the Circuit Clerk from the Crawford County Circuit Clerk Fee Account number ***0893 to the Crawford County Treasurer Primary Account number ****7501.

Financial information:

Have you received other state or federal grant funds in the past three years? If so, list the grant name, the organization from whom it was received, the amount of funding received, and the status of the grant expenditure.

No

Attach your organization's audits from 2019 and 2020 if available.

What is your organization's annual budget? Please attach a copy of your 2020 and 2021 budgets.

The applicant certifies that any funds received through this Crawford County granting program are fully subject to federal regulations and affirms that the funds will be properly spent in compliance with the American Rescue Plan Act of 2021. The applicant further affirms that financial controls are in place such that each expenditure under the grant will be fully documented and that such documentation will be open to the public and submitted to the County for audit. The applicant understands that all aspects of their use of the grant are open to the public and subject to the Freedom of Information Act.

About your request:

Please indicate under which category of eligibility under ARPA your organization is applying:

- ☒ Public Health and Economic Impacts – Responding to COVID-19
- ☐ Public Health and Economic Impacts – Responding to Negative Economic
- ☐ Impacts
- ☐ Premium Pay
- ☐ Revenue Loss
- ☐ Investments in Infrastructure – Water and Sewer
- ☐ Investments in Infrastructure – Broadband

Briefly and clearly state how your project responds to the COVID-19 crisis:

Consolidating has forced us to spend money our county does not have. By isolating the Dispatch center, employees are less exposed to Covid and any other illnesses.

Does your project have a county-wide impact? If so, describe.

Yes, the entire county used the E-911 dispatch.

Please describe your project including the following information (in any order): What will this project accomplish? How will those goals be measured? How to these goals relate to the goals of the American Rescue Plan Act (ARPA)?

putting up a new tower vs. moving the existing tower will cost roughly \$32,000 more but will have all new wiring, and will be a flip of the switch transfer vs. tearing down existing tower, moving it and resetting it up. Distpatch is 24/7 and cannot afford to be down for days.

Please attach a project budget. If the project includes construction or third-party services, please provide their estimates.

July 2022, the lowest bid came in \$596,046.00 short from original estimate in March 2022
(Letter from Risley Architects Attached)

Are other funds part of the budget besides ARPA funds? If so, please list other sources of funding and a copy of their funding commitment, if available.

Please describe the organization's financial management practices that will ensure audit compliance.
