2023 Budget Funds

I respectfully request that the following County General funds be appropriated as indicated. This is to appropriate funds for the 2023 budget year, so that telecommunications can continue within the local public health unit. Dobson Fiber has alerted me that additional fiberoptic cable will need to be installed so that our telecommunications will function appropriately. Currently, the DSL connection within the health unit is operating on a server that will no longer be available **effective April 15, 2023**. A new connection will be included with the installation of the fiberoptic cable, therefore allowing the continuation of services for the citizens of Crawford County.

RE: Appropriation Request

I am requesting the following from County General Fund 1000. Aside from the 2022 Ford F-250 transport truck that was purchased last year with ARP funds, the county has not purchased a vehicle for the Coroner's Office since 2013. That vehicle is a 2014 Tahoe that I currently drive and has 116,000 miles. My plans are to pass that vehicle down to my chief deputy who is currently driving his own. We will also take the back seats out to use the 2014 as a secondary transport vehicle.

Serena,

I had accidentally made the Northwest Fire Protection check out to Northwest Controls. They called and said they were going to mail the check back. So, I processed a check for Northwest Fire and mailed it out the next day after the call.

Well today, I find out they sent a refund check instead of the original check. So long story short, will you please write up an appropriation letter for \$3,000 to 3429-418-2022? That way the money can be put back into the correct line item so that I don't mess up your budget world. I apologize. I have attached the copy of the refund.

If you have any questions, please call me.

Thank you

Re: Budget Request for March 2023 meeting

2023 Budget

I respectfully request that the following funds be appropriated in Public Safety Fund 3429. The generator is out on the Mobile EOC. It has never been replaced since we've owned it in 2005. In order for the Mobile EOC to be fully functional, that needs to be replaced. We have a quote from Crabtree RV Center to have it replaced. The rescue boat was returned to Emergency Management with the bottom ripped and this needs to be repaired. We are asking for \$15,000.00 to repair both these highly useful pieces of equipment.

Amount: \$15,000.00

To: 3429-0500-4004 Machinery & Equipment

Thank you for your attention to this matter.
