June 16, 2026

Justice Mark Shaffer, Budget Committee Chairperson
Crawford County Quorum Court

RE: Appropriation Request

During the Crawford County Quorum Court meeting on June 15, 2026, the Crawford County Coroner and Chief Deputy Coroner discussed funding for utilities (electricity, gas, and water) and the maintenance/service contracts for our facility located at 4305 Alma Highway, Van Buren, Arkansas 72956.

These services are currently funded by the Crawford County Sheriff's Office. I respectfully request that responsibility and funding for these items be transferred to the Crawford County Coroner's Office. This change will allow the Coroner's Office to maintain oversight and control of the utilities, maintenance, and service contracts associated with our facility, thereby enhancing accountability, transparency, and operational efficiency.

The funding amounts listed below are based on the Crawford County Sheriff's Office's 2025 expenditure for these services, adjusted for inflation and increased by \$500 per line item to account for potential unforeseen cost increases. Accordingly, I request that the following funds be appropriated to the Crawford County Coroner's Office within the 2026 Budget:

From:	To:	Amount:
1000 County General	1000-419-3060 Utilities – Electricity	\$1,450.00
	1000-419-3061 Utilities – Gas	\$1,400.00
	1000-419-3062 Utilities – Water	\$ 750.00
	1000-419-2024 Maintenance/Svc Contracts	\$2,500.00

Very Respectfully,

Also want to switch up how the on call is paid. The ordinance will be ready for next months meeting. (6) Charlene McDonnough updated on what is going on at the library. (7) Judge Keith asked Justice Bell if he wanted to speak on the items he presented. Justice Bell stated he had a couple of drafts to discuss. Wanted to see if any of the JP's would be interested in doing a study session on the Data Centers. Judge Keith stated that in ACT 851 of 2023 went into effect in August of 2023 that puts a lot of restrictions on local government. Justice Bell wanted to change on how we get packets. He wants it changed to get packets the Monday prior to the meetings. Judge Keith stated that we discussed this previously and stated that the information is not due until the Monday before the meeting as of right now. Changing it to that deadline will put a time restraint. Justice Stinchcomb stated that we had agreed to getting the letters on the Monday or Tuesday morning prior to the meeting. Also stated that this time when we received the information she did state that she did not send out letters ahead of time because she missed it. Justice Stinchcomb stated it has been going good so far. Justice Bell stated he might be the only one that wants to get them earlier. Also stated that he

didn't get the EMS ordinance until Friday and when he called them they said it would be Monday before someone could get back with him and nobody contacted him. Judge Keith stated we could send out the ordinance and resolution also with the letter information. Justice Bell stated we don't have the ability to search online for ordinances. Judge Keith stated we could look into the cost of putting the ordinance and resolution online. Sheryl Couch stated that AAC put all of our ordinances in a codified book.
