Re: Budget Request for August 2026 meeting

2026 Budget

I respectfully request that the following funds be appropriated from County General, into County Buildings budget 1000-0111. The Circuit Clerk's building at 317 Main St. has some cast iron sewer pipes that are old and rusted in two and we have had a lot of trouble with sewer drainage and have had the plumber clean it out several times. To remedy this problem we had Trenchless Lining & Diagnostics come out and give us an estimate. We will need to have the plumber come out and put a clean out on the outside of that building so Trenchless can get into the pipes. The approximate cost of this needed repair is going to be approximately \$15,000.00. This is an unexpected expense our office has incurred so we are requesting the appropriation from County General.

Total Amount \$15,000.00

Work Description

H POD NO COOLING. Went to roof with tools and gauges, found unit in dehumidification mode with supply air set point in controller of 65*. Went to the front end controls and found controls calling for dehumidification due to humidity level. Verified when the dehumidification deactivated the supply temp dropped to 55*. Discussed this with David.
